

COLONSAY VISITOR GUIDELINES

Ongoing precautions against COVID-19

“If you are planning to travel to an island we do encourage you to take two lateral flow tests before you depart. The second test should be on the day that you are planning to travel, and the first should be three days before you travel.” *First Minister’s Statement on 20/04/21*. Free test kits are available by post through the government websites. Google: **Gov.uk Lateral Flow Tests**

The Colonsay community asks for your ongoing understanding and co-operation and that you follow these guidelines:

KEEPING INTERACTIONS DOWN: If you have come from or been on the mainland, please follow the guidelines below after arrival on Colonsay.

KEEP YOUR DISTANCE: Please comply with current regulations on physical distancing with anyone outside your household or bubble.
